To whom it may concern,

The Rockpool Restaurant Group recently contracted Karisma Joinery Pty limited to work on our two most recent restaurant developments, Spice Temple, at 10 Bligh Street, Sydney and Rockpool Bar & Grill at 66 Hunter Street.

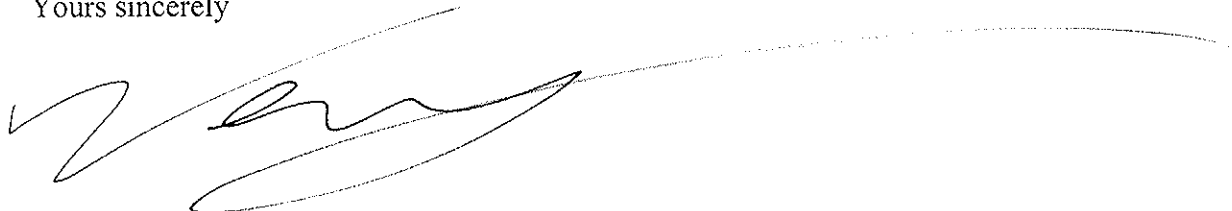

Both restaurants are large venues with separate bar areas and were designed to very thorough and exacting briefs.

Karsima's service was not only highly efficient, but incredibly professional and the attention to detail outstanding. They supplied us with confident service and excellent joinery.

We thank Karisma for their excellent work on our two new restaurants and congratulate them on their participation in a venue which has been called "Australia's greatest dining space".

We look forward to working with Karisma on any future projects.

Yours sincerely
