To Whom it May Concern

Karisma Joinery has been a Joinery subcontractor for ISIS Interiors since the inception of ISIS in 1989.

Karisma Joinery has consistently produced quality work through the entire range of executive furniture and standard joinery items.

We find the company to be efficient organised and well managed. Joe Zarantanello is a most amenable person and extremely competent.

In the interiors fitout industry tight time frames are common. Karisma Joinery always works with ISIS to achieve all deadlines and project requirements to the satisfaction of our most demanding clients.

I have no hesitation in recommending Karisma Joinery to their prospective clients.

Yours faithfully
ISIS INTERIORS PTY LIMITED
