TO WHOM IT MAY CONCERN

Over the last four years, I have been involved in a number of projects with Karisma Joinery.

During this period, Karisma Joinery has carried out many contracts involving the manufacture and installation of joinery ranging from the simplest of items right through to extremely detailed and ornate items, always of the highest quality.

Karisma Joinery have maintained a level of professionalism and service throughout all dealings and we look forward to a continuing association with them.

We are pleased to provide this reference and I am more than happy to discuss this matter should further information be required.

Yours sincerely,
SMITH MADDEN (AUSTRALIA) PTY LTD
