To Whom It May Concern

Karisma Joinery Pty Ltd have been engaged on a number of our projects to provide specialist joinery services.

On each occassion they were able to meet our tight budget and programme requirements while maintaining a high level of workmanship.

It is a pleasure to work with this company and it is without hesitation that we recommend you consider engaging Karisma on your project.

Yours faithfully,

A handwritten signature in blue ink, appearing to read "D Ellks", with a long horizontal line extending to the right.

David Ellks
Project Manager
